Apprentice hands and heels series in Bahrain 2023-2024

There will be a series of six races for apprentices only over a variety of distances and a variety of ability levels for the horses. Races will be approximately one a month.

In each race riders will be allowed to carry a whip, but they can only use it in an emergency for safety reasons. To encourage their horse, they may only use their hands and their heels. They may not take their hands off the reins.

If they use the whip for encouragement even once, points that they may have scored for that race will be lost and they will be suspended for the next race in the series.

Points scoring

For the first five races in the series, points will be scored as follows.

- 1st 10 points**
- 2nd 8 points**
- 3rd 6 points**
- 4th 4 points**
- 5th 2 points**

In the last race of the series, points will be scored as follows.

- 1st 20 points**
- 2nd 16 points**
- 3rd 14 points**
- 4th 12 points**
- 5th 10 points**
- 6th 8 points**
- 7th 6 points**
- 8th 4 points**
- 9th 2 points**

If an apprentice uses his whip illegally then he/she will lose the points gained in that race and the other riders will move up one position.

Winner

The jockey that scores the most points over the series will be the winner and will receive a prize of BD1000/-.

Bahrain Turf Series 2023-2024

The turf series will also have a bonus point system attached depending on where horses finish. Points will be awarded accordingly:

Points scoring

1st 15 points

2nd 10 points

3rd 7 points

4th 5 points

5th 3 points

Completed finish - 1pts.

\$40,000 BONUS FOR POT WINNER

The points will be added at the end of the series. The owner of the horse with the most points in each pot will get **\$25,000** and the trainer of the horse with most points will get **\$15,000**. This will mean an extra **\$80,000** in total prize money. Should there be a tie for 1st place, the winner will be awarded by most wins. Should the results still be tied, the prize will be shared.
