Race 2 - 01:55 PM **(LOCAL BRED)**

The starter reported that MAGSOOD trained by Samir Dawood had refused to enter the starting stalling and was withdrawn. The trainer was informed that MAGSOOD cannot be entered for a race until it has passed a stalls test. It was noted that the surcingle on SHAMIKH ridden by Salem Alajmi had snapped approaching the 400-meter mark. Having inspected the equipment the stewards are satisfied that it was in a serviceable condition.

Race 7 - 04:00 PM
EBRAHIM BIN SAAD AL ROMAIHI CUP

Permission was given to PRINCE ELZAAM (GB) to wear a hood in the parade ring. Permission was given to NAYSLAYER (IRE) to be mounted from the pre parade ring.

The Stewards held an enquiry into possible interference approaching the 400 meters mark between AL FAJIR MUKBILE (IRE) placed second ridden by Abdulla Faisal and PRINCE ELZAAM (GB) placed third ridden by Liam Keniry. Having heard their evidence and viewed recordings of the race, they found Abdulla Faisal guilty of careless riding as he had steered his mount towards the rails after the cut off without leaving sufficient room for PRINCE ELZAAM (GB), which was on his inside, causing Liam Keniry to have to ease his mount back for several strides, and steer left handed which then put him on the heels of other runners. They have suspended Abdulla Faisal for one meeting on the 30th of December 2022.
