Al Shawaf 1817, ridden by Marcialis Jaeres reared as the stalls opened and unseated the rider. The Stewards reviewed the start and were satisfied the horse was mounted when the stalls were released and therefore should be deemed a runner.

Hasan Al Saffar rider of AL JELLABIEH 1752, unplaced stopped riding for 11 strides on the run to the line when in 4th place. Having viewed the recording of the race and interviewed the rider, the Stewards accepted the rider's explanation that the Mare had pricked her ears and hung right when seeing a photographer by the running rail and that he was concerned that he might interfere with other runners and so kept hold of her head. He was reminded of his responsibilities to keep riding with hands and heels to the finish line.
